DESCRIPTION

1958 Rolls Royce Silver Cloud 1 with optional power steering and walnut tray tables. Recently refurbished interior, complete original tool kit, pump, jack etc. Bodywork in very good condition, no rust and no rust underneath. The Interior is duck egg blue with walnut, exterior is midnight blue and silver. Lots of paperwork, 2 sets of keys including the valet key. Recently refurbished carburettors, well maintained, recent oil change, modern air filter, electronic ignition, and original points are included. 76433 miles (believed original mileage, was part of a private collection on display for 15 years). Runs well, drives well, stunning car. Includes the original Buff logbook. Reluctant sale.
