DESCRIPTION

Selling my 1967 Karmann Ghia. Imported from California in 2020. Been driving it for the past few summers and had great fun. It needs work but I don't have the time for it. It's been lowered with a stock width adjustable beam. Stock engine. Good interior. Good points - looks great! Drives, steers and stops. Lights and indicators work. Bad points - no wipers, horn or hazards. Hole in floor behind drivers seat, hole by battery. A few dents and scrapes, bubbling rust below doors. Looking for £6,800 or near offer.
