**DESCRIPTION**

Porsche 911 Carrera (993) 1996 road/race car, N reg., 3.6 lt twin turbo, 6 speed gearbox, turbos recently rebuilt and fuel lines replaced. Engine 500 bhp (approx.) Brembo race brakes (road units also supplied). Gt 2 wide body kit fitted with 8x10x18" BBS alloys. Welded custom cage, fire eater system, air jack system (as per Brit car). Variety of race springs available, variety of split rims and spare set BBS alloys available at separate extra cost. Competed in AEMC and ASEM C sprint championships and DOMC North Sports Saloon Championship and recently on display at the Porsche Colchester showroom. The price is £100,000 I've tried editing many times to show this and the ad is still showing £110, obviously it is not this price. Was £125K so a massive drop in price. Thank you Now reduced by £15k as we have so many other projects on the go, there could even be a deal done on the new price, get in contact and please, only genuine enquiries.
