**DESCRIPTION**

My lovely 1963 Wolseley is for sale due to illness. it has no rust or filler and all the original panels and sills. 50psi oil pressure. It has never let me down and I am confident to press the starter button and it will start first time and take me anywhere I wish to go. Loads of history and comes with a genuine BMC workshop- manual. It is a well known car in the owners club and has attended many shows. It has been seen on TV shows including ITV's From Cradle to Grave with Peter Kay. A great car and I shall be sad to see it go.
