DESCRIPTION

VW Transporter. T28 2.0 TDI Campervan registered as a (motor caravan on V5) Year 2011. 116K miles. Ready to drive away and start using for the up coming season. Here for sale is our beautiful T5.1 Camper which we have owned for the last 3.5 years. No expense has been spared on this van. Pictures don't do it justice, we have tried to photograph to the best of our ability. Previous owner spent over 35K in total (all receipts are present) on the van, not including the van purchase. (spec list is extensive) includes air ride system which is self leveling to ensure van is level when sleeping (helps prevent headaches). Also looks bloody cool when dropped on it's low position for shows etc. Van has won a couple of shows in the past. The build was done by Dirty Weekender with all receipts totalling £25K Plus over £8K on Air Ride, 20" Benley wheels worth £2K, and a Kenwood head unit @ £1K The van also benefits from being fully polybushed, along with H&R anti roll bars front and rear. Here is some of the build spec:- Kenwood DAB/SatNav Head unit Electric windows Electric Mirrors Air Con Cruise Control Multi Function Steering Wheel Webasto Deisel Heater - Hot Air system Webasto Deisel Induction Hob Cann Sink with electric tap Single passenger captains seat on RIB Swivel base Drivers captains seat on RIB swivel base RIB 112 Bed / Seats in rear with memory foam reverse (the part you sleep on) Black and Oak furniture with Fridge Bluetooth system for rear
