DESCRIPTION

POA. Centenary edition 1909-2009. This is a very special limited edition of about 35 built (so the factory informs me). Automatic with manual over-ride. Superb in Bentley meadow green over black with full Champagne hide immaculate interior, brushed aluminium dashboard, air conditioning, electric windows, electric boot-lid, glove-box with trickle charger plug-in/cigar lighter etc. Has Morgan Aero Racing features as well as the full set of bonnet louvres. It's fitted with factory immobiliser, Mexico GPS talk system in most languages, radio and plug-in system player, two tonneau covers for double duck lined hood. It was invited to be displayed at the exclusive Hampton Court Concours of Elegance. It's not absolutely mint pristine condition (has a few light frontal stone chips), however it presents very well. Full service history with Morgan factory health check stamped in the service book, along with every M.o.T and extensive service records, documentation, handbook etc. The agreed insurance replacement value of £95,000, so offers on £85,000.
