DESCRIPTION

A fully restored Mini Cooper Mk2 in very rare Monotone black. In its factory Monotone black, a very rare special factory order colour, it looks stunning. This is an early Mk2 Cooper with 10 previous owners (all documented) and it comes with a file of invoices for the extensive restoration, new Rose-petal 10 inch alloys and Yokohama tyres (including the spare). Recent expenditure includes some suspension work to correct the ride height and some work to the gear linkage. Monotone black with Wood & Pickett style black vinyl seats, black carpets and headliner, 7 port modified head, straight cut gears with KAD quickshift, 7.9 inch vented front discs with 4 pot calipers, 3 spoke wooden steering wheel, chrome mirrors, front Lucas spot lights with covers (new old stock), 10 inch Rose Petal wheels, rear spot/reversing light. Incredible restored condition throughout, paint is excellent with no hint of rust anywhere. Chrome is shiny with no pitting, the seats, carpet and headliner are amazing. Wheels are like new and the underside is as good as the top. Engine bay presents very respectfully. In the boot is excellent with spare Rose Petal wheel and tool kit. The car is MOT and tax exempt and therefore ULEZ compliant, but nevertheless the car has a new MOT with no advisories.
