DESCRIPTION

Rover Mini Cooper Sport In the last edition colours of red with a silver roof, bonnet stripes and mirrors. It has leather seats in black and silver and a machined effect dashboard which was all standard on this model. It is a factory original car and was owned for the first 21 years by a lady who has kept it very well maintained. It has been fully serviced 20 times all by the same garage and I have an invoice detailing each service. It has covered just 18550 miles from new so has been over serviced and remarkably well maintained. I have the original book pack with all of the books and spare keys. It has a modern JVC cd player as well as the original Rover radio cassette. It has 4 matching Yokohama A539 tyres which I feel are the best to give the most comfortable ride, cornering grip and feel. This is a super clean 2 owner Mini Cooper Sport with a fantastic maintenance record and immaculate condition throughout. Free delivery to your door in my curtain sided van within 200 miles of Tiverton.
