DESCRIPTION

Rover Mini Cooper Sport in classic flame red with a white roof, bonnet stripes and mirrors. The classic exterior look is complimented by a classic full black leather interior with walnut dashboard with 6 clocks. It has always been very well serviced and always garaged when not in use and has covered just 15250 miles from new. As a result the bodywork is excellent and is drives very well. I have a complete and detailed service history for the mini plus all past MOTs, the original book pack and both sets of keys. It has an updated radio and a stainless steel exhaust which sound great. Otherwise it is all original and in fantastic condition throughout. Finding minis of this quality is now very difficult but rewarding when I do. This mini will give its new owner a lovely car to enjoy driving and polishing while also offering an exciting long term investment. Free delivery to your door in my curtain sided van within 200 miles of Tiverton.
