DESCRIPTION

Rover Mini Cooper Sport in the last edition colours of British racing green and silver. It has a contrasting black and silver leather interior with alloy effect dashboard which is all in lovely condition. As a result it drives very well with a smooth, quiet engine and gearbox. The overall driving experience is very pleasant and great fun. It has been garaged for most of its life and in recent years has been a 'toy in the garage' for dry days only. I have the original book pack, both sets of keys and a thick history file from new. Free delivery to your door in my curtain sided van within 200 miles of Tiverton.
