### DESCRIPTION

As Above ... ##### PLEASE NOTE After going Yesterday 31st of May to trade the car. in I was informed it was previously a CAT D being uneconomic to repair this happened Dec 2009 Hence the significant price drop it Must of been repaired to a good standard as theres No signs its ever been repaired & no signs of rust #####FINAL REDUCTION##### QUICK SALE PRICE for 48 hrs NEED GONE BY JUNE 1st ##### HENCE PRICE DROP (only for next few days) as its too good to SORN & not get used ... ### Make an offer is Acceptable too within Reason ##### as My Volvo XC40 is Coming Back Home 2 Keys , Service History , a 56 model MG ZT (see pictures) registered Dec 2006 18 Months AFTER MG/ROVER Closed Down ... So Quite Rare ... it has the BMW 2.0 litre diesel Chain Driven Engine 108,700 , Mot Oct 2023 , BOUGHT mere weeks ago ... when I was stuck at home having broke my right hip , But since getting in it ... also due to my disability? I find it too hard to get in ...& out of it ... & as I currently still have a mobility car on lease ... (Scarlett) as I named her ... has to go , There are NO warning lights on the Dash ... & the Fuel economy is REALLY Good , Starts 1st turn of the Key ... I absolutely love the 75/ZT this being my 3rd ... the other 2 being a rover 75 2.5V6 + an MG ZT 2.5V6 ... the 1st of these being my Wedding Car ... so they have a special attachment for me ... But as I said Scarlett reluctantly has to go .... :(x ( I will be Sorn ing this vehicle by the weekend if it fails to
