DESCRIPTION

Corsa 1.0 eco flex in silver. 2013. MOTD until October 2024. Low car tax £30. Low insurance. This car has been owned by my daughter for nearly seven years. It was a cat d in 2014. The boot lid was dented. This was replaced. No other damage was done to the boot area. As this was my daughters first car after passing her test I have spared no expense in looking after the car as I wanted her to have trouble free motoring, which she has had. The mileage is genuine and can be checked against VOSA. Tyres are in good condition as is the rest of the car. Ideal for new driver or as a first car. £3000 ovno
