DESCRIPTION

635CSi Highline Motorsport Edition. This exceptionally presented Misano Red 635CSi Highline Motorsport Edition is one of 181 produced for the UK market. Our Motorsport Edition has recently come to us in part exchange and has covered a mere 76300 miles from new. The exceptional service history, supported by its original stamped service booklet has no less than 24 dealer stamps. In addition, a complete handbook pack is present along with its original spare keys, various service invoices and a complete set of old MOT certificates dating back to its first test in 1992. Central BMW Birmingham supplied the Motorsport Edition on 1st August 1989 and carried out its first service at 5502 miles. Various BMW franchise dealers and more latterly, BMW specialists completed the vast service history thereafter as outlined in the service booklet. The last oil inspection was carried out on 1st December 2021 at 76210 miles. Copies of correspondence relating to this transfer are on file. The condition simply speaks for itself. The Misano Red paintwork is excellent, a fantastic straight body shell with excellent clean panels, a beautiful preserved leather interior and a nicely detailed engine bay. The 'M' split rim alloy wheels are in exceptional condition. The original complete tool kit is in excellent condition

as is the original first aid kit still in its original packaging! This beautiful example drives as good as she looks with a strong powerful engine giving excellent oil pressure. The automatic gearbox is simply divine! G101MUJ is a beautifully correct, detailed, original vehicle that has never had the opportunity to deteriorate. The impeccable service history reiterates the way each owner has taken full responsibility for its preservation, in a way that they have seen themselves purely as a custodian of this fantastic rare motor vehicle. In short, this impeccable Motorsport Edition would be an excellent addition to any classic car collector or BMW enthusiasts collection.
