DESCRIPTION

We are really pleased to offer this stunning and incredible little cooper S MK1 last raced at Goodwood Revival by Christian Horner. All the latest Swiftune engine and suspension parts, this car is not only one of the absolute quickest Minis on the planet (2nd overall at Goodwood in 2009 'all-Mini' St Mary's Trophy), but it is a true investment, and certainly more eligible than any of the non-original Cooper S cars of which there are many floating about. On-the-button and only one race old (Goodwood 2015) since engine rebuild and updated suspension fitted. Registered April 1964. BMIHT on file. A genuine 1963 Cooper S accompanied by its original buff log book, wearing its original factory colours, and also its original registration of '596 HBE'. 3 Owners from new presenting its is factory colour scheme of Almond Green / Old English White. Rebuild from a road car into a race car in 1993 and raced in Deutsche Historische Tourenwagen and subsequently in U2TC, HSCC and Goodwood Revival. Fully rebuilt swifttune race engine to the latest works specification fitted before its last outing in Goodwood 2015. Maintained with no expense spared and fully race prepared post Goodwood Revival ready for its next event. New HTP FIA to Appendix K (Period F – 1962 to 1965) papers issued 9 July 2015 valid to end 2025. Complete with vast spares package. Stored in a private collection since purchase. Export enquires welcome.
